

## Rick and Helen Gutierrez Bio

In February of 2020, we moved to Saddlebrooke from Grand Rapids, where we lived for 27 years. Rick is originally from MI and Helen was born and raised in Colorado. We met 42 years ago in southern AZ, while attending a private Christian college.

Rick has enjoyed a successful career in the field of criminal justice and education. Helen has worked many years in public administration and has served as a mentor and volunteer for various youth and women's groups.

Rick enjoys playing golf and Helen enjoys playing the piano.

We enjoy traveling and have been fortunate to travel throughout the US as well as to Mexico, Canada, various Caribbean islands, parts of Europe, and the Mediterranean.

We are thankful for the opportunity to move to Saddlebrooke and appreciate the warm welcome we have received.
